

Derek Schuurman

PROFESSOR · CHAIR · NH 296

Focus: Faith and Technology, Embedded Systems and IoT, Robotics and Computer Vision

Email: derek.schuurman@calvin.edu

- PhD, McMaster University
- BASc and MASc in Electrical Engineering, University of Waterloo
- Writes on the ethics and philosophy of technology

Ken Arnold

ASSOCIATE PROFESSOR · NH 298

Focus: Data Science, Artificial Intelligence and Christian Faith

Email: ken.arnold@calvin.edu

- PhD in Computer Science, Harvard University, 2020
- SM, MIT Media Lab; BS in Electrical and Computer Engineering, Cornell
- Language models for writing, and public understanding of what AI can and cannot do

Eric Araújo

ASSOCIATE PROFESSOR · NH 293

Focus: Agent-Based Modelling, Complex Networks, Computational Social Science

Email: eric.araujo@calvin.edu

- PhD in Computer Science, Vrije Universiteit Amsterdam
- MS, Federal University of Minas Gerais; BS, Federal University of Viçosa, Brazil
- Studies how behaviour, health and misinformation spread

Rocky Chang

PROFESSOR · NH 299A

Focus: Network Security, Internet Infrastructure, Computational Thinking

Email: rocky.chang@calvin.edu

- PhD in Computer and Systems Engineering, Rensselaer Polytechnic Institute
- More than 30 years teaching Computer Science
- Leads the cybersecurity certificate

Victor Norman

ASSOCIATE PROFESSOR · NH 297

Focus: Computer Science Education, K-12 Outreach, Computing for Christian Missions

Email: victor.norman@calvin.edu

- PhD and MS, Purdue University; BS, Calvin College
- 14 years in industry as a principal software engineer before teaching
- Works on applying the virtues to how we write programs

Fernando Santos

ASSISTANT PROFESSOR · NH 291

Focus: Data Science, Computational Modelling, Human-Computer Interaction

Email: fernando.santos@calvin.edu

- PhD in Computational Science, University of São Paulo
- Also works on the philosophy of technology

Chris Wieringa

SYSTEMS ENGINEER · SB 319

Focus: The labs, the servers and the systems every course here runs on

Email: chris.wieringa@calvin.edu

- Runs the labs, servers and systems behind every Computer Science course

ALSO TEACHING WITH US
