

Derek Schuurman

PROFESSOR • CHAIR • NH 296

Focus: Faith and technology, embedded systems and IoT, robotics and computer vision

Email: derek.schuurman@calvin.edu

- PhD, McMaster University
- BAsC and MASc in Electrical Engineering, University of Waterloo
- Writes on the ethics and philosophy of technology

Ken Arnold

ASSOCIATE PROFESSOR • NH 298

Focus: Data science, artificial intelligence and Christian faith

Email: ken.arnold@calvin.edu

- PhD in Computer Science, Harvard University, 2020
- SM, MIT Media Lab; BS in Electrical and Computer Engineering, Cornell
- Language models for writing, and public understanding of what AI can and cannot do

Eric Araújo

ASSOCIATE PROFESSOR • NH 293

Focus: Agent-based modelling, complex networks, computational social science

Email: eric.araujo@calvin.edu

- PhD in Computer Science, Vrije Universiteit Amsterdam, 2018
- MS and BS in Computer Science, Brazil
- Studies how behaviour, health and misinformation spread

Rocky Chang

PROFESSOR • NH 299A

Focus: Network security, internet infrastructure, computational thinking

Email: rocky.chang@calvin.edu

- PhD in Computer and Systems Engineering, Rensselaer Polytechnic Institute
- More than 30 years teaching computer science
- Leads the cybersecurity certificate. Calvin faculty since 2023

Victor Norman

ASSOCIATE PROFESSOR • NH 297

Focus: Computer science education, K-12 outreach, computing for Christian missions

Email: victor.norman@calvin.edu

- PhD and MS, Purdue University; BS, Calvin College
- 14 years in industry as a principal software engineer before teaching
- Works on applying the virtues to how we write programs

Fernando Santos

ASSISTANT PROFESSOR • NH 291

Focus: Data science, computational modelling, human-computer interaction

Email: fernando.santos@calvin.edu

- PhD in Computational Science, University of São Paulo
- Also works on the philosophy of technology
- Originally from Poços de Caldas, Brazil

Chris Wieringa

SYSTEMS ENGINEER

Focus: The labs, the servers and the systems every course here runs on

Email: chris.wieringa@calvin.edu

- Runs the labs, servers and systems behind every computer science course
- Guides the CS tour on two of this autumn's Discovery Days

ALSO TEACHING WITH US

Rob Bobeldyk Information Technology rob.bobeldyk@calvin.edu

Stacy DeRuiter Mathematics and Statistics stacy.deruiter@calvin.edu

Monica Groenenboom Engineering monica.groenenboom@calvin.edu

David Meyer Adjunct faculty david.meyer@calvin.edu

Jim Momeyer Contributing faculty jim.momeyer@calvin.edu

Brian Paige Contributing faculty brian.paige@calvin.edu

Adam Vedra Adjunct faculty adam.vedra@calvin.edu
