Computer Science Plus

Applied computer science in the field of your choice.

FRESHMAN

FALL — 14 hrs

- 4 **CS 108** Introduction to Computing F,S
- 4 **MATH 161** Calculus: Modeling and Computation F,S
- 0 **CS 195** Introductory Computing Seminar F,S
- 2 **CORE 100** Community and Commitments
- 4 **World Languages 1** Waived with two years of high school language at B or better

SPRING — 15 hrs

- 4 **CS 112** Introduction to Data Structures F,S
- 2 **MATH 251** Discrete Mathematics I S
- 0 **CS 195** Introductory Computing Seminar F,S
- 4 **ENGL 101** Foundational Writing
- 4 **World Languages 2**
- 1 **Health and Movement 1**

SOPHOMORE

FALL — 16 hrs

- 4 **CS 212** Data Structures and Algorithms F
- 4 **DATA 202** Introduction to Machine Learning F
- 4 **Your applied field** Twelve hours in total
- 0 **CS 195** Introductory Computing Seminar F,S
- 4 **Christian Foundations 1**

SPRING — 16 hrs

- 4 **CS 214** Programming Language Concepts S
- 2 **MATH 252** Discrete Mathematics II S
- 4 **STAT 243** Statistics S
- 4 **Core course** Arts and Rhetoric
- 2 **Christian Foundations 2**

JUNIOR

FALL — 16 hrs

- 4 **CS 262** Software Engineering F
  needs junior standing
- 4 **ENGR 220** Introduction to Computer Architecture F
- 4 **Your applied field**
- 0 **CS 295** Computing Seminar F,S
- 4 **Core course** Knowledge and Understanding

SPRING — 15 hrs

- 4 **CS 232** Operating Systems and Networking S
- 4 **CS elective** Six hours in total
- 0 **CS 295** Computing Seminar F,S
- 1 **Health and Movement 2**
- 4 **Core course** Knowledge and Understanding
- 2 **Elective**

SENIOR

FALL — 16 hrs

- 2 **CS 396** Senior Project, or CS 383 Practicum F
- 0 **CS 295** Computing Seminar F,S
- 4 **Your applied field**
- 4 **Core course** Knowledge and Understanding
- 4 **Elective**
- 2 **Elective**

SPRING — 16 hrs

- 2 **CS 398** Senior Project in Computing II S
- 4 **CS 384** Perspectives on Computing S
- 2 **CS elective**
- 4 **Elective**
- 4 **Elective**

F offered in the autumn **S** offered in the spring · a full-time semester is about 16 hours
This is one way through the degree. Your adviser will build yours with you.
